

Detached village house

Description:

This very sweet fully restored detached house is situated in the little village of Bonneuil and only 5 minutes from the small village of Saint-Martin-le-Mault where there is a great bar restaurant. A further five minutes in either direction you are in Chaillac or Lussac-les-Eglises, both of which have a good selection of small shops and services, and about 15 minutes away you have a supermarket and more shops and services. In under an hour you can be at the international airport in Limoges.

On the ground floor there is a tiled fully-fitted kitchen (11m²), a living/dining room with fireplace (28m²), a bedroom with oak flooring (14m²), toilet with wash-hand basin and large utility room which has a shower. There is also a very nice summer room overlooking the terrace to the rear of the property.

On the first floor there is a mezzanine landing with wooden floor (24m²), a small bedroom (8m²), family bathroom with bath and wash-hand basin and a separate toilet. There are 2 further bedrooms (11m² and 10m² respectively) the smallest has an outside stairway to the garden.

Heating is by oil-fired central heating radiators and the house is connected to French drains. There is an out-building attached which has the boiler and oil tank inside and there is a basement underneath the house.

This property is not over-looked and has views over the surrounding countryside.
